STUDENT VOLUNTEER APPLICATION FORM

The Interview Committee for the Student Volunteer Program would like to know why you wish to join the program and how you think you may benefit from being in the hospital setting. Please note that student volunteers are not directly involved in patient care. Attach additional sheets if needed.

I understand that, if chosen for the Student Volunteer Program, I must attend a compulsory orientation session at the hospital before I can begin duties (time and date will be announced). I also understand that the volunteer position is an important one and that I must make every effort to attend as scheduled. If I am not well or a circumstance prevents me from attending as scheduled I will contact my supervisor. I further understand that I will be required to sign a confidentiality agreement during the orientation session.

Completed Student Volunteer applications may be mailed to Stevenson Memorial Hospital Auxiliary or dropped off at the information desk just inside the main entrance.
Applications should be in a sealed envelope marked “Attn President SMH Auxiliary”
